

JFCS CAREER SERVICES AND DISLOCATED WORKER PROGRAM

If you are laid off from your job, JFCS Career Services is here for you. You may be eligible for services at no cost through our Dislocated Worker program.

- JFCS is **ready immediately** to help make this transition less stressful for you and your family. We will have counselors ready to begin assisting you even before you are laid off.
- To be **successfully re-employed**, we will help you determine your employment goals, establish an action plan and access training you may need. You can receive financial assistance for licenses, credentials or certifications that improve your marketability.
- Write a **résumé** that gives you a competitive edge. Our Certified Professional Résumé Writers will assist you in presenting your professional skills to potential new employers.
- Our Employment Counselors provide **personalized job search assistance**. We will work with you to communicate your specific strengths through résumés, cover letters, interviews and networking.
- Our **strong connections with local businesses** can introduce you to employers who are looking for someone with your specific skills and abilities.
