INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Jewish Family and Children's Service of Minneapolis
Minneapolis, Minnesota

Opinion

We have audited the accompanying consolidated financial statements of Jewish Family and Children's Service of Minneapolis (a nonprofit organization), which comprise the consolidated statements of financial position as of December 31, 2024 and 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Jewish Family and Children's Service of Minneapolis as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Jewish Family and Children's Service of Minneapolis and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family and Children's Service of Minneapolis' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jewish Family and Children's Service of Minneapolis' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Family and Children's Service of Minneapolis' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating schedules are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. NATURE OF OPERATIONS

Jewish Family and Children's Service of Minneapolis (JFCS) is guided by its mission to provide essential services to people of all ages and backgrounds to sustain healthy relationships, ease suffering and offer support in times of need. Jewish Family and Children's Service of Minneapolis is proud to say it has been "family" to tens of thousands of people in the Jewish and general communities for more than a century. Jewish Family and Children's Service of Minneapolis provides a full spectrum of programs and services for adults, children, families, the frail elderly, refugees and immigrants, and people who struggle with poverty, emotional problems, and mental and physical disabilities.

B. BASIS OF CONSOLIDATION

The accompanying consolidated financial statements include the accounts and activities of Jewish Family and Children's Service of Minneapolis and a supporting foundation that was incorporated in November 2012 (collectively, the Organization). All significant intercompany balances and transactions have been eliminated.

C. BASIS OF PRESENTATION

Net assets and contribution revenue are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets With Donor Restrictions – net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

D. CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of highly liquid debt instruments with an initial maturity of three months or less.

Cash on deposit in excess of FDIC and similar insurance coverages are subject to the usual banking risks of funds in excess of those limits. At times, amounts on deposit may exceed FDIC insured limits. To date, the Organization has not experienced losses in any of these accounts.

E. ACCOUNTS RECEIVABLE

Receivables from program related sales and fees are reported as accounts receivable, net in the accompanying consolidated statements of financial position. Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management records an allowance for doubtful accounts under the reserve method based on its assessment of the current status of individual accounts, the historical average percentage of write-offs by category of receivables, and other reasonable and supportable forward-looking information. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. An allowance of \$6,962 was recorded at December 31, 2024 and 2023.

F. GRANTS AND CONTRIBUTIONS RECEIVABLE

Unconditional grants and contributions receivable that are expected to be collected within one year are recorded at net realizable value. Grants and contributions receivable that are expected to be collected in future years excluding the contributions due to the supporting foundation, are recorded net of a present value discount.

Management records an allowance for doubtful accounts under the allowance method based on historical average percentage write-offs, its assessment of the current status of individual account balances, and other reasonable and supportable forward-looking information. If management's collection attempts are unsuccessful, grants and contributions receivable balances are written off through a charge to the allowance for doubtful accounts. An allowance of \$5,767 and \$2,890 was recorded at December 31, 2024 and 2023, respectively. A discount of \$78,179 and \$24,671 was recorded at December 31, 2024 and 2023, respectively.

G. PROGRAM LOANS RECEIVABLE

Program loans receivable relate to various loan programs which are used to serve individuals needing emergency assistance, refugees in need of help, and individuals seeking vocational training. Outstanding loan balances are reviewed individually for timing of payments received as well as future collectability. As needed, alternative payment plans are arranged. Management records an allowance for doubtful accounts under the reserve method. Write-off of loans receivable against the related allowance occurs when all collection efforts have been exhausted. An allowance of \$2,564 was recorded at December 31, 2024 and 2023.

H. INVESTMENTS

Investments consist primarily of mutual funds and exchange traded funds recorded at fair value. State of Israel Bonds are carried at cost, which approximates fair value.

I. BENEFICIAL INTEREST IN ASSETS HELD BY MINNESOTA JEWISH COMMUNITY FOUNDATION

The Minnesota Jewish Community Foundation, LLC (MN JCF) receives contributions and invests these funds for particular purposes on the Organization's behalf. The contributions are put into funds based on the donor's stipulations. MN JCF does not have variance power on these funds, therefore requiring the activity to be recorded by the Organization. The balances are at fair value.

Due to the unitized structure of the investments at MN JCF, the Organization is allocated an equitable portion of sales and purchases of investments executed at MN JCF. The details of the sales and purchases of investments are maintained by MN JCF. For financial statement purposes, the Organization has elected to disclose only the net change in the value of its interest in the assets of MN JCF in the consolidated financial statements.

Additional funds are held by MN JCF in donor advised funds from which the Organization may receive additional contributions, however, variance powers to redirect these funds are present and the funds do not meet the reporting requirements under current guidance.

J. PROPERTY AND EQUIPMENT

Property and equipment that has a useful life greater than one year and a cost greater than \$1,000 is stated at cost and depreciated using a straight-line method. Depreciation of property and equipment is provided over the following estimated useful lives:

Building and building improvements	10 - 39 years
Furniture, fixtures and equipment	3 - 10 years

K. REVENUE AND REVENUE RECOGNITION

The Organization recognizes support revenue when cash, securities or other assets, or an unconditional promise to give is received. Conditional promises to give with a measurable performance or other barrier and right of return, are not recognized until the conditions on which they depend have been met.

The Organization has various government contracts and grants that are generally cost-reimbursable, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenditures. Revenue without donor restrictions is recognized as qualifying expenditures are incurred, or other contractual conditions are met. Revenue recognized under government contracts and grants, including PPP loan forgiveness, is subject to review by the granting authority. To the extent, if any, that such a review reduces expenditures allowable under these agreements, the Organization will record such disallowance at the time the determination is made.

There was no material amount of unrecorded conditional contributions or government grants at December 31, 2024 and 2023.

Program related sales and fee revenue represents private payments and insurance-type reimbursements for services provided to individuals. Revenue is recognized at the time the services are provided, net of any expected fee adjustments. Changes in regulations, governmental funding, or other negotiated contracts could result in changes in contract rates or reduction of services. Any such adjustments to the contract rates are recognized as an adjustment of the services when their effect becomes reasonably determinable.

L. DONATED SERVICES AND IN-KIND CONTRIBUTIONS

Donated services are recognized to the extent that they create or enhance nonfinancial assets or require specialized skills. Donated goods and services required by grant awards are recorded in the consolidated statements of activities at fair value at the date of the donation and recognized as revenue and expense in the period they are received. There were no material donated services or in-kind contributions received in 2024 or 2023.

A number of volunteers have made contributions of their time to develop and enhance the Organization's programs. The value of this contributed volunteer time does not meet the recognition requirements for contributed services and, as such, is not reflected in these statements.

M. FUNCTIONAL EXPENSES

The costs of program and supporting service activities have been summarized on a functional basis in the consolidated statements of activities. The consolidated statements of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The consolidated financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied.

Expense allocation methods are as follows:

- When employee time can be directly identified with a project or activity, salaries and wages are charged to that project or activity based on actual hours worked. In the case of support employees whose work is not identifiable to a specific project, salaries and wages are allocated pro rata based on the direct time charged to these projects.
- Costs for equipment, such as printing and postage, are allocated pro rata based on usage of the equipment by program.
- Payroll taxes, benefits, rent/occupancy, depreciation, and other expenses which are not directly identifiable by program or supporting service are charged based on the ratio of direct salary expense charged to the program divided by total salary expense for the agency. The allocations are booked in their respective accounts.

N. USE OF ESTIMATES

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

O. INCOME TAXES

JFCS qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and the comparable section of the Minnesota Income Tax Statutes. It has been classified as an organization that is not a private foundation under the Internal Revenue Code and contributions by donors are tax deductible. The supporting foundation is a supporting organization under 509(a)(3) of the Internal Revenue Code.

A tax expense or benefit from an uncertain income tax position (including tax-exempt status) may be recognized only when it is more likely than not that the position will be sustained upon examination by taxing authorities. Management believes the Organization has no uncertain income tax positions that would result in an accrual, expense or benefit under the more likely than not standard.

NOTE 2 LIQUIDITY AND AVAILABILITY

The following represents the Organization's financial assets available to meet cash needs for general expenditures within one year of date of the consolidated statements of financial position. Due to the nature of the restrictions from contributions received from donors, the Organization has omitted only the restricted contributions that were not deemed "general" in nature.

	<u>2024</u>	<u>2023</u>
Cash and cash equivalents	\$4,230,754	\$2,906,975
Accounts receivable	462,402	508,108
Grants receivable	1,041,072	724,987
Contributions receivable	1,106,625	1,212,904
Other receivables	4,271	12,743

	<u><u>\$8,015,185</u></u>	<u><u>\$6,476,521</u></u>

The Organization's endowment funds consist of donor-restricted endowments and funds designated by the board as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

The Organization's board-designated endowment is subject to an annual spending rate as described in Note 10. Although there is no intent to spend from this board-designated endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary.

As part of its liquidity management plan, the Organization structures its financial assets to be available as its general expenditures, liabilities and other obligations come due.

NOTE 3 GRANT RECEIVABLE

Grants receivable consisted of the following as of December 31:

	<u>2024</u>	<u>2023</u>

Other	<u>195,267</u>	<u>170,549</u>
Total	<u>\$1,041,072</u>	<u>\$724,987</u>

NOTE 4 PROGRAM LOANS RECEIVABLE

The Organization issues uncollateralized loans to members of the Jewish community based on financial need under their Jewish Free Loan Program (JFLP). The loans are issued from a minimum of \$1,000 to a maximum of \$7,500 and bear no interest, and are typically repayable from 24 to 36 months. One or two co-signers are currently required who are subject to a credit check and must meet minimum credit criteria. Loans are funded from restricted contributions made by numerous donors.

Because of the strict criteria with regard to co-signers, write-offs are rare for this program. Allowances for doubtful accounts are determined based on an evaluation of the current status of any past due accounts and the average write-offs by category for prior years.

JFPL loans receivable consisted of the following as of December 31:

	<u>2024</u>	<u>2023</u>

NOTE 7 FAIR VALUE MEASUREMENTS

The Organization has categorized its consolidated financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Financial assets and liabilities recorded on the consolidated statements of activities are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access. This includes stocks, mutual funds and exchange traded funds.

JEWISH FAMILY AND CHILDREN'S SERVICE OF MINNEAPOLIS

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2024 and 2023

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability (examples include interests in the net assets of MN JCF and assets held in a trust where the Organization is not the trustee).

Financial assets that are carried at estimated fair value are categorized based on the inputs to the valuation technique are as follows as of December 31:

	2024

NOTE 10 ENDOWMENTS

The Organization maintained approximately 300 endowment funds in the JFCS endowment fund as of December 31, 2024 and 2023. In addition, the supporting foundation separately maintains one endowment fund. In the consolidated financial statements, the JFCS endowment fund and the portion of the supporting organization endowment fund which benefits the Organization are collectively referred to as the Endowments.

A. JFCS ENDOWMENT FUND

The funds that comprise the JFCS endowment fund were established for a variety of purposes. The Organization established a fund at MN JCF to manage these funds.

The Endowment includes donor-restricted and board designated funds. As required, net assets associated with endowment funds, including funds designated by the board of directors to function as Endowments, are classified and reported based on existence or absence of donor-imposed restrictions.

The Board of Directors of the Organization has interpreted the Minnesota Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, the Organization retains in perpetuity (a) the original value of initial and subsequent gifts donated to the endowment, and (b) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purpose of the Organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and appreciation of investments
- Other resources of the Organization
- The investment policies of the Organization

Funds with Deficiencies – From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the original value of the gifts, due to unfavorable market fluctuations. There were no deficiencies of this nature as of December 31, 2024 and 2023.

Return Objectives and Risk Parameters – The Organization views itself as a moderate risk taker and has adopted policies with the primary investment objective of preservation of capital, on an inflation-adjusted basis, and secondarily, to achieve long-term capital appreciation.

Strategies Employed for Achieving Objectives – The Organization has adopted investment and spending policies that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the Endowment assets. Under this policy, as approved by the board of directors, the endowment assets are transferred to MN JCF, who in turn invests in a manner intended to exceed appropriate benchmarks over a full market cycle.

JEWISH FAMILY AND CHILDREN'S SERVICE OF MINNEAPOLIS

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2024 and 2023

Spending Policy – The Organization appropriates 4% of the average balance of the Endowment's fair market value as of December 31 of each of the three years prior to the start of the fiscal year. In establishing these policies, the Organization considered the long-term expected return on its endowment. Accordingly, over the long term, 4% was determined to be the maximum sustainable spending rate that would allow the endowment to grow in excess of the rate of inflation. The Organization's board can authorize up to a 5% spending rate if conditions warrant this change.

Investment fees paid to MN JCF were \$183,906 and \$165,557 for the years ended December 31, 2024 and 2023.

B. SUPPORTING FOUNDATION ENDOWMENT FUND

The supporting foundation endowment fund was established to benefit the operations of JFCS and, in the future, other organizations as well. Per donor stipulations, contributions to the fund are permanently restricted, and contributions are to be invested in Israel Bonds. The portions of cash contributions and pledges that will benefit the Organization are recorded as contributions in the consolidated financial statements at the present value of the future benefit.

During 2018, the supporting foundation was named the beneficiary of an estate gift. At December 31, 2024, the supporting foundation holds \$50,000,000 in Israel Bonds, which are to be invested in Israel Bonds into perpetuity. JFCS has an irrevocable 25% interest in the net income of the bonds and four other organizations equally share the irrevocable right to the remaining 75%. The full amount of net income of the bonds is to be distributed annually by the supporting foundation as contributions without donor restriction.

During 2024, JFCS received recorded contribution income from the supporting foundation of \$688,418 and recorded contributions receivable for accrued investment income for 2024 estimated investment gains on its 25% interest in the bonds of \$98,370. During 2023, JFCS received payments of investment income accrued in fiscal year 2022 of \$432,022 and recorded accrued investment income for 2023 estimated investment gains on its 25% interest in the bonds of \$392,022.

NOTE 11 DEFERRED COMPENSATION

The Organization has a deferred compensation plan for certain key individuals. The plan requires the Organization to accrue a percentage of the individuals' compensation to be paid after retirement. Expenses under the plan were \$30,500 and \$24,473 for the years ended December 31, 2024 and 2023, respectively. In addition, certain individuals may elect to defer a portion of their salaries, subject to IRS limits, to the deferred compensation plan. Accrued amounts of \$409,962 and \$338,852 are included in long-term liabilities as of December 31, 2024 and 2023, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 12 LEASE REVENUE

The Organization receives revenue from agreements for the lease of space to other entities. For accounting purposes, the leases are considered operating leases. These leases require monthly payments, which include base rent and common area maintenance charges and are non-cancelable through August 2027, after which they may be terminated with a six-month notice period through August 2034.

Future minimum receipts from non-cancelable leases are expected as follows:

<u>Year Ending December 31:</u>	<u>Amount</u>
2025	\$77,543
2026	79,146
2027	78,042
2028	<u>71,929</u>
 Total	 <u><u>\$306,660</u></u>

NOTE 13 RETIREMENT PLAN

The Organization sponsors a safe-harbor 401(k) profit-sharing retirement plan. Under this plan, employees age 18 years or older can contribute up to statutory limits. All employees who work at the Organization are eligible to receive matching contributions from the Organization. The Organization makes a contribution equal to 100% of the employee's salary reduction up to 3% and 50% of the employee's salary reduction up to 4%. Retirement expenses under this retirement plan were \$240,330 and \$220,440 for the years ended December 31, 2024 and 2023, respectively.

NOTE 14 PAYCHECK PROTECTION PROGRAM LOAN

The Organization entered into an unsecured loan agreement on April 10, 2020 for \$1,196,400, pursuant to the Paycheck Protection Program (PPP) created by Section 1102 of the Coronavirus Aid, Relief, and Economic Security Act, which was fully forgiven by the SBA on November 16, 2020. Loan forgiveness is subject to a six-year audit period.

NOTE 15 SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 11, 2025, the date that the report was available to be issued.
