

JFCS Jewish Family and Children's
Service of Minnesota

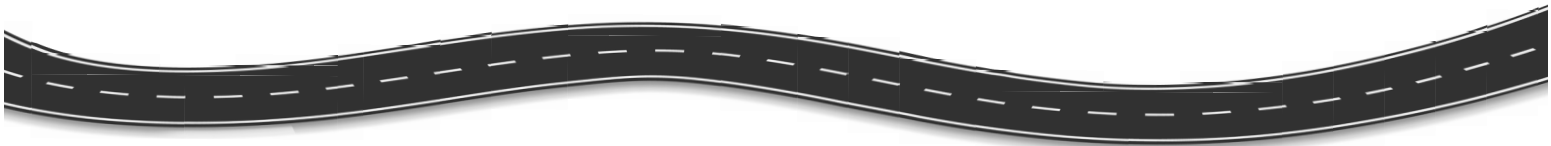

Transportation Services

Sponsored by:
Jacob Garber Endowment Fund of the Jewish Community Foundation
Funded under an award with Metropolitan Area Agency on Aging as part of the Older Americans Act

Metropolitan Area
Agency on Aging

JFCS Transportation programs provide **affordable medical, social, and errand rides** through a team of longstanding, **high-quality staff and volunteer drivers**, ensuring individuals can overcome transportation barriers, access essential services, combat isolation, and **maintain a high quality of life**.

- Provides convenient, reliable rides for ambulatory adults to get to a doctor's appointment, friend's house, grocery store and more
- 82 clients, 3,506 one-way rides

- Provides weekly or bi-monthly rides with personal escort to clients 60+ for grocery shopping and other errands
- 26 clients, 640 one-way rides

- Pairs seniors, primarily homebound and living alone, with volunteer companions who provide transportation and social connection, helping them stay independent and reduce isolation
- 24 clients, 1,660 one-way rides

- Provides door-to-door support for medical appointments, including pickup, wait time, and return home to clients 60+
- 15 clients, 80 rides

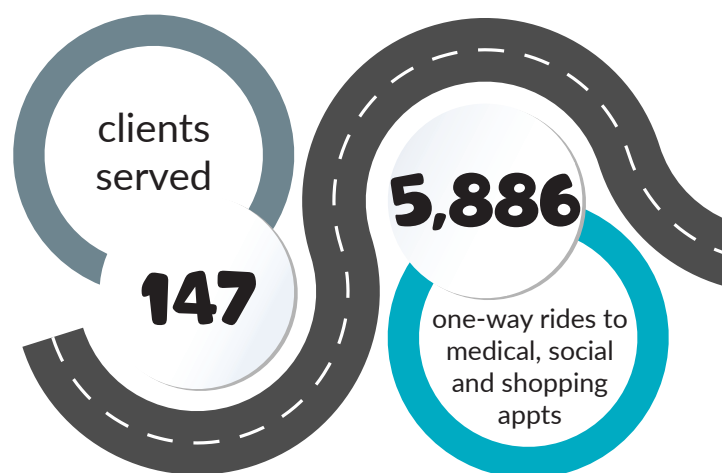

Program Highlights

Long-tenured staff bring decades of experience, providing reliable and compassionate service year after year.

Long-standing partnership with Open Circle providing rides to/ from adult day program

1,146 hours of shopping and 173.5 hours of accompanied transportation that were freed up for family caregivers

“

There was a time that I felt hopeless and completely stressed. Your service changed all that and changed my life for the better. Thank you does not cover my gratitude.

Thank you for your service and kindness throughout the year. It means so much to us to have safe, dependable transportation. We appreciate you.

”
